Bring a risk management problem sharing session

Dear Community of Practice members,

Suncorp Risk Services on behalf of icare self insurance are facilitating a **"Bring a risk management problem sharing session"** on the 7th June 2016.

Details Below:

Date: Tuesday, 7 June 2016

Time: 8:30am registration for 8:45am start till 12pm

Venue: Suncorp Place – level 2, 18 Jamison street, Sydney

Cost: FREE

Registration is via the Suncorp website: <http://www.suncorpriskservices.com.au/events/tmf-risk-management-sharing-day>

(Alternatively, you can email me if you are interested in attending and I will register you).

The focus of this seminar is to **'Bring a risk management problem'** facilitated discussion by a panel of TMF agency risk leaders.

The panel will discuss a series of **'risk management problems'** proposed by agencies. SRS has confirmed the four risk management problems with risk practitioners from across the sector. The session will allow discovery / presentation of the problem followed by a 30 minutes discussion with the panel and audience participation.

Panel Facilitator:

Grant Whitehorn, Chief Risk & Safety Officer, NSW Ambulance

Panel members:

Santantu Lodh, Director Compliance, Vendor Management Office, Department of Finance, Services and Innovation

Grahame Irvine, Director, Health & Safety, Department of Industry

James Koulouris, Assistant Commissioner, Governance and Continuous Improvement, Correctives NSW

If you know someone in your organisation that would like to attend, please feel free to forward this email on.

Kind regards,

Thanh Huynh
